

Hi Temecula,

United Medical Doctors Urgent Care located at 31150 Temecula Parkway Ste. 101, Temecula CA 92592 is currently open and seeing patients with extended hours! We are a NEW facility with little to no wait times, seeing all PPO's, Medicare, Tricare and self-pay patients. All services from colds, sore throats, ear infections, lacerations, suture and staple removals, UTI's, sprains, fractures, pink eye and many more services to meet your urgent care needs. We have taken the proper measures to ensure all of our patients are safe and comfortable with our current COVID-19 outbreak by offering Telemedicine appointments! These appointments allow you to have your concerns met all while staying at home during this time. Call 951-383-2618 to set up your telemedicine appointment or for any other questions you may have! We are still offering in office appointments for all of your urgent care needs.

Sincerely,

Shannon Miller, PA-C

Director of Clinical Operations
